
PROJECT REPORT Sarvba First Aid Foundation

Project Title: “Jeevan Raksha – Community First Aid & Emergency Health Awareness Program”

Project Duration: 12 Months **Total Budget:** 5,00,000 (INR Five Lakhs Only)

1. Executive Summary

The “**Jeevan Raksha**” initiative aims to strengthen emergency response awareness and basic healthcare preparedness in rural and semi-urban communities.

The project targets **1,000 community members**, including youth, teachers, drivers, workers, and women groups, to develop skills in:

- Basic first aid
- CPR (Cardio-Pulmonary Resuscitation) awareness
- Emergency response techniques
- Accident and injury management
- Disaster preparedness

Impact: Reduced fatalities and complications due to delayed emergency response and lack of first aid knowledge.

2. About the Organization

Sarvba First Aid Foundation is a registered Section 8 non-profit organization committed to:

- First aid awareness & certified training
- Community health education
- Emergency preparedness programs
- Preventive healthcare initiatives

Vision: To create safer communities through health and safety education and trained volunteer networks.

3. Problem Statement

Key challenges leading to preventable deaths include:

- Lack of basic first aid knowledge
- Delayed emergency response
- Improper handling of road accident victims
- Poor CPR awareness
- Absence of trained community responders

Opportunity: Immediate first aid can reduce injury severity and save lives before professional medical help arrives.

4. Project Objectives

1. Conduct **25 First Aid & CPR training sessions** in 12 months
 2. Train **1,000 community members** in life-saving skills
 3. Distribute first aid awareness materials
 4. Promote emergency preparedness in schools and villages
 5. Develop a trained community volunteer network
-

5. Target Beneficiaries

- School & college students
- Teachers
- Drivers & transport workers
- Women Self-Help Groups (SHGs)
- Community volunteers

Total Direct Beneficiaries: 1,000 individuals

6. Project Components

6.1 First Aid & CPR Training Sessions (25 Sessions)

- Wound management & bleeding control
- Fracture stabilization
- CPR awareness & demonstration
- Burns and accident response
- Basic disaster preparedness

6.2 School & Community Awareness Programs

Health & safety awareness workshops

Road safety training

Emergency response demonstrations

Interactive community engagement

6.3 First Aid Kit Distribution (Limited)

- Distribution of first aid kits to selected schools/institutions
- Proper usage demonstration
- Maintenance and replenishment guidance

6.4 Volunteer Network Development

- Identification of community volunteers
- Certification of trained participants
- Emergency contact coordination system
- Creation of local first responder network

7. Implementation Timeline (12 Months)

Phase	Timeline	Key Activities
Phase 1	Month 1-2	Planning, partnerships & beneficiary identification
Phase 2	Month 3-10	Training sessions & awareness drives
Phase 3	Month 11	Follow-up sessions & volunteer strengthening
Phase 4	Month 12	Evaluation, documentation & final reporting

8. Budget Breakdown (Total: 5,00,000)

Budget Head	Amount (INR)
Trainers Honorarium	1,50,000
Training Materials & Demonstration Kits	80,000
First Aid Kits, Dressings, Bandages, etc.	30,000
First Aid Kits, Dressings, Bandages, etc.	20,000
First Aid Kits, Dressings, Bandages, etc.	20,000
First Aid Kits, Dressings, Bandages, etc.	5,00,000
Project Coordinator	
Monitoring & Evaluation	
Administrative Expenses	
Contingency	
Total	

9. Expected Outcomes

- 1,000 individuals trained in first aid & CPR basics
- Improved community emergency response
- Increased awareness of accident & injury management
- Reduced complications from delayed first aid
- Trained local volunteer emergency network

10. Monitoring & Evaluation

- Attendance tracking for each session
- Pre- & post-training assessments
- Certification records
- Final impact report
- Financial audit & utilization certificate

11. Sustainability Plan

- Institutional collaborations with schools & colleges
- Volunteer-based first aid response teams
- CSR renewal partnerships
- Nominal participant contribution model
- Development of local trainers for continuity

12. CSR & SDG Alignment

- **CSR Schedule VII:** Healthcare & Preventive Healthcare
- **SDG 3:** Good Health & Well-Being
- Road Safety & Emergency Preparedness initiatives

13. Organizational Registration & Legal Details

Particular	Details
Name of Organization	Sarvba First Aid Foundation
